About Academy:

Academy Securities is the first post 9/11 disabled veteran-owned and operated investment bank. Our firm's goal is to achieve a minimum of 50% military veterans employed throughout our organization. Today, Academy Securities is proud that 45% of our employees & advisory board are military veterans and we are dedicated to consistently increasing the ratio. As of 2022, 64% of our firm's equity is owned by military veterans.

We were founded in 2009 by former US Naval Officer Chance Mims, as our nation's first and only post 9/11 military veteran and disabled veteran owned and operated investment bank and broker dealer. Academy Securities specializes in:

- Equity & Debt Capital Markets
- Public Finance
- Institutional Agency Trading: Equity & Fixed Income
- Investment Banking

We believe the financial industry is a service industry requiring frequent contact and lifelong relationships with our clients and partners. Our mission is to serve our clients and protect their interests. When we take on a client, they become part of our team, and we are fundamentally committed to the fact that all short- and long-term success in the financial markets is predicated on collaboration, high frequency interaction, and collective accomplishments.

Scope:

The Academy Securities Internship Program runs on a 4-6 week rotation with programs beginning in June. Interns will rotate between our DCM, ECM, Public Finance, Short Term Liquidity, Structured Products and Operations teams in order to get exposure to as many roles as possible within the financial services industry.
